Combine your Alpha Enclosure with Alpha power and you have an optionally integrated, reliable and efficient power plant.

Maintenance bypass cabinet for complete isolation of the UPS during service operations.

V2G enables bidirectional energy flow between electric vehicles and the power grid, allowing electric vehicle owners to charge during off-peak hours and discharge ...

Product Name C& I Energy Storage System System Power 50KW / 100KW / 150KW / 250KW Output Voltage 380 / 400V Three Phase Battery Storage 200KWH / 300KWH / 500KWH Solar Panels 600W ...

The Base Station Energy Cabinet is a fully enclosed, weather-resistant telecom energy cabinet designed to provide reliable power distribution and battery backup for outdoor communication networks.

The MT Series delivers 150 to 250 kW of programmable DC power per floor-standing cabinet, using high-frequency IGBT current-fed power processing and integrated AC input breakers for robust, high ...

This heavy-duty enclosure securely houses a Stand By Power Supply and three (3) batteries along with equipment and cable required for fiber optic conversion ...

AZE's Our air-cooled C& I BESS Energy Storage Cabinet is the perfect solution for your business. With advanced air-cooling technology, scalable design, and smart energy management, our system ...

Complete 150kW hybrid PV+ESS system with 315kWh high-voltage battery, 720Wp bifacial panels, and ATS/EMS control. Ideal for commercial, industrial, and off-grid energy solutions. It enhances load ...
