In many ways, the middle-of-nowhere location makes sense for Brasilia. It's not only the most un-Brazilian-feeling city in the country but it might also be the most un-Latin American-feeling....

Whether you hope to explore the town quickly before heading to another destination or get lost in a place where history is made, just follow me along with this Brasilia travel guide for all you ...

Brasilia is the capital of Brazil, located in the central part of the country. It is the seat of the main federal government: the president (residing in the Palácio do Planalto), the Brazilian supreme court, and the ...

Brasilia (Portuguese: Brasilia), the capital of Brazil and the seat of government of the Distrito Federal, is a planned city in the Central Highlands of Brazil.

Brasilia is a planned city developed by Lúcio Costa, Oscar Niemeyer and Joaquim Cardozo in 1956 in a scheme to move the capital from Rio de Janeiro to a more central location, which was chosen ...

Renowned for its modernist lines and futuristic design, Brasilia is a study in urban planning and the only city built in the 20th century to be counted among UNESCO's World Heritage Sites.

Explore the lively city of Rio de Janeiro, home to Ipanema and Copacabana beaches; experience the stunning Foz do Iguaçu National Park and see the world's largest waterfalls system; immerse ...

Brasilia is the capital of Brazil. Located in the Federal District within Goiás state on the central plateau of Brazil, it lies between the headwaters of the Tocantins, Parana, and Sao Francisco ...

Brasilia is a Brazilian city that was thought out and planned. With an architectural design in the shape of an airplane, it stands out from everything you have ever seen. Haven't decided yet? Let us inspire ...
