Feature highlights: Integrated solar wind energy solution with a hybrid system supporting 5kW to 20kW load power, 3kW to 10kW solar power, and lithium ...

In the heart of China's renewable energy drive, Shandong Unicom, a subsidiary of Huijue China, embarked on a groundbreaking distributed photovoltaic (PV) power generation project.

Whether in residential homes or commercial buildings, Huijue Group's new generation home energy storage inverter system delivers efficient, convenient, and reliable energy solutions, ...

Engineered by means of Huijue Group in collaboration with HighJoule, this product blends contemporary photovoltaic science with a ...

? Founded in 2002, the company focuses on communication equipment and energy storage system integration.
?Long-term partner of China Mobile, Telecom, Unico...

We are a professional Manufacturer in China, and we are constantly innovating so that our customers can have better products and services.

Our comprehensive range includes custom-designed systems that integrate seamlessly with solar PV arrays, offering uninterrupted power supply and energy cost savings.

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

As a top inverter and battery manufacturer in China, Huijue has a strong R& D team and technological innovation capabilities to provide high-quality products and ...
