From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

Each unit combines high-performance lithium batteries, hybrid inverters, and MPPT charge controllers in a single outdoor ready enclosure, allowing for fast ...

? Solar + Storage Ready - The cabinet seamlessly integrates with rooftop or ground-mounted PV systems, enabling: Maximum solar self-consumption Reduced grid export limitations Higher overall ...

SolaraBox is built to solve project power needs. The system is modular and easily scalable: you can add multiple units to increase output, and it supports on-grid, off-grid, and hybrid configurations.

Hitek Energy outdoor containerized BESS delivers high-capacity lithium energy storage with robust weather resistance, modular design, and smart control--ideal for grid or renewable integration.

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, ...
