Solar Portable Charger 12000mAh, Small Solar Power Bank, USB C Input/Output External Battery with Built-in 4 Cables, Two-Hand Flashlight, Suitable for iPhone, Tablet Computers and Samsung

Introducing our Mini Solar Panel 5W 6V/12V, a compact and efficient solar charger designed to keep your devices powered up during outdoor activities.

It supports solar panels up to 140W, also an upgrade from its predecessor. Despite its small size, it boasts low self-consumption and exceptional portability, thanks to its rugged, miniature design.
