Comprehensive energy storage solutions with modular design, high-performance lithium iron phosphate batteries, and advanced management systems.

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

We produce high-efficiency, reliable new energy battery, offering sustainable solutions for home and industrial use worldwide.

Get in touch with Huijue Group for expert energy storage solutions. Contact us for home, industrial, and off-grid power systems. Let's power a sustainable future!

Founded in 2002, Huijue Group is a leading innovator in energy storage technology, providing safe, efficient, and comprehensive energy storage solutions. Our offerings span residential, ...

Boost energy storage with Industrial/Commercial & Home BESS, powered by lithium batteries. Ensure grid stability, savings, & backups. Plus, power base stations with Huijue Energy Storage, for ...

Highjoule provides a wide variety of energy storage products, such as industrial and commercial BESS, home energy storage systems, photovoltaic modules, and other solutions. As a top Chinese ...

Professional manufacturer of solar and power inverters, offering grid-tie inverters, hybrid inverters, off-grid inverters, solar batteries, solar kits, and complete solar energy storage system solutions.

As a subsidiary of Highjoule Group, it provides customers with optimal energy storage system solutions and a full range of safe and efficient storage products, covering household energy storage systems, ...
