From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an innovative base station ...

Highjoule offers flexible cabinet sizes, battery configurations, inverter brands, PV capacity, and interface layouts to meet specific site needs and compliance requirements.

As energy efficiency becomes a priority globally, these devices offer a practical solution for residential and small commercial applications. With the right inverter, ...

Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. Combines high-voltage lithium battery packs, BMS, fire protection, ...

Designed for harsh environments and seamless integration, this IP54-rated solution features a 105KW bi-directional PCS, optional air- or liquid-cooled thermal ...

The commercial solar battery storage system is loaded with cell modules, PCS, photovoltaic controller (MPPT) (optional), EMS management system, fire ...

Explore high voltage battery packs, wall mounted lithium batteries, and ESS cabinets from Hoenergy -- your 2025 Global Tier 1 Energy Storage Provider.

These cabinets are designed for outdoor installations, providing uninterrupted power supply (UPS) for telecom

Special Offer for Wind-Resistant Photovoltaic Energy Storage Cabinets for Fire Stations

towers, industrial sites, solar farms, and ...
